28th September 2022

Dear Parent/Carer,

Schools are able to claim extra funding through Pupil Premium to support children's development, learning and care. We wanted to write to you to explain what Pupil Premium is and explain who is eligible for this funding.

Pupil Premium provides an extra £1,385 per year for children whose parents are in receipt of certain benefits or £2,385 for children who were formerly in local authority care but who left care because they were adopted or were subject to a special guardianship or child arrangements order or £320 for children with parents in the armed forces.

This additional money could make a significant difference to us. Pupil Premium money is used to support the education of all pupils by funding vital intervention work and additional training for staff to help Coomb Briggs pupils achieve their full potential. It will also be used to support eligible families with paying for school trips, a free breakfast club and help towards after school sports clubs which enhance your child's learning, indeed, many trips will be free for pupil premium children and PGL trips may have up to £100 off.

Even if your personal circumstances change, the school retains the annual sum to educationally support your child throughout their years at Coomb Briggs Primary School for up to 6 years. To enable the school to check your eligibility we use a secure and confidential online system recommended by the Department for Education and the local authority.

Please complete the online form (see Link) or the attached form which will confirm if we are entitled to claim Pupil Premium for your child. The information you supply will be used by Coomb Briggs Primary School to process your application with the Department of Work and Pensions for the purpose of assessing your eligibility. Your child will also be entitled to free school meals, including vouchers during the school holidays, however, free school meals take up is optional.

This information is being requested to enable us to perform an official task in the public interest, namely using an eligibility checking website to ascertain your current and any future entitlement to free school meals and also the Pupil Premium payment. This service is provided by the website <https://www.cloudforedu.org.uk/ofsm/coombbriggsprimary> using the on line checking system provided by the Department for Education.
