3rd March 2023

Dear Parent/Carer,

We are looking forward to a busy few weeks in school as we run up to the Easter break.

Next week our Year 6 girls are visiting the Port of Immingham as part of Women in Industry. They will be enjoying a tour of the site and will be able to speak to women who work there in various job roles.

We have some really exciting news about our Breakfast Club. Prax Lindsey Oil Refinery will be supporting us by donating money each month for us to buy food for the club. This means that we will be able to offer a healthy breakfast to all of the children. We are hoping to start this after Easter however, it may be slightly later. We will keep you posted! The usual booking system will apply and, for now, place numbers will remain the same.

Please ensure that your child is wearing the correct school uniform, this includes the correct P.E .kit. There are further details and links to both our suppliers on our website. We do have a small supply of good quality second hand uniforms, please ask for further details if you require anything.

If anyone different is collecting your child after school please ring the office and let them know. You may have people on your contact list who you ask to collect them which is absolutely fine, but we will phone to check you have agreed to this unless you contact us. This is to safeguard your child. So, if you send someone to collect your child without telling us, please expect a phone call!

After the Easter holidays we will be starting a Tuck Shop at break times, this will be run by some of our Year 6 children. They will be selling various healthy snacks such as cereal bars, fruit and small cartons of fruit juice. There will be a small charge for the snacks and all of the money will go back into further supplies.

As always, if you have any concerns or questions please do not hesitate to contact me.

Yours truly,

Helen Redmond
