21st June 2023

Dear Parent/Carer,

I am delighted to be able to invite you to our school Summer Fair. This will be held on Monday 17th July after school. The children in KS2 are working hard on enterprise projects ready for the fair so we hope you will all be able to join us at the event.

Some of the children want to arrange a raffle and have asked if we can put a plea out for any teddies, books or gifts that could be used as prizes. These must be in good, clean condition. Please send any donations in with your child to give to their class teacher.

Following on from this, I am still keen to get a 'Friends of School' group together. Although we tried earlier in the school year there was little interest and only 1 parent turned up to the open afternoon which we arranged. A parent group is a life saver to schools in helping to raise much needed funds and support organising events such as Christmas and Summer Fairs, discos and extra activities for the children which, in turn, leads to much needed resources being bought. If you are interested please contact the school office and we can arrange an initial meeting.

Please ensure you apply sunscreen to your children **before** they come to school. You can purchase cream that lasts for 24 hrs from the chemist. If your child has to bring some to school with them then they must be able to apply it themselves and will have the opportunity to do so at lunchtime.

During this warmer weather, please ensure your child brings a water bottle to school. They are able to have a drink whenever they need one and may refill it throughout the day. Please bear in mind that if your child brings a water bottle home with water still in it then they have probably refilled it at school.

A reminder that our sports afternoons are on the 12th July (KS2) and 13th July (KS1). It would be lovely to see you all supporting the children.

Our Y6 Leavers Assembly will take place on Wednesday 19th July 2023 at 2.15pm. Bensley's Homemade Ice Cream will also be visiting us on that afternoon from 2pm. Y6 will have their treat after the assembly. If you would like your child to have an ice cream that afternoon then please send them with £2.50 (apart from Y6 as we provide their treat!). Dairy free ice cream will be available.

Unfortunately, we are having to increase the price of our Breakfast Club to £2.50 from September. This is to cover increased costs within school. We will be continuing to offer a range of breakfasts including fruit juice, cereal, toast and fruit.

The children will be having transition days on the 6th and 7th July where they will spend time in their new classrooms for September and meet their new teachers. As you will see there have been some changes and everyone is really looking forward to meeting their new class.

Coomb Briggs Primary Academy
