5th July 2023

Dear Parent/Carer,

As we near the end of term, there are just a few updates to send out to you.

Next week we have our sports afternoons. KS2 is on Wednesday, 12th July and KS1 is on Thursday, 13th July. Both events will start at 1.30pm with the main gate at the front of school opening at 1.15pm. Staff will man the gate for the whole afternoon if anyone needs to leave the event before the end. Please may we politely remind you that no whole class photos or videos of races may be taken due to several of our children being safeguarded. You may take individual photos of your own children only. Please bear in mind that if the weather is poor we may need to cancel the events. We look forward to seeing you next week!

We are having our summer fair after school on Monday, 17th July. The children are busy getting ready for this. It will start straight after school and finish at 4.30pm. In my previous letter, I asked if anyone had any good quality toys/gifts that they could donate. Unfortunately, we haven't had many brought in and are in desperate need of these for one of the stalls. Also, if you know of anyone who may like a stall to sell crafts or such like please let us know.

On Wednesday 19th July, we have Bensley's Homemade Ice-Cream on site after lunch. Please send your child with £2.50 if they would like an ice cream. Dairy free will be available if needed.

Breakfast Cub must be booked online. Please ensure this is done in advance, as some days are full. If you wish your child to have breakfast then they must be at club by 8.15am.

A few polite reminders about our school site;  
the whole school site is a non-smoking site, this includes vapes and e-cigarettes. Please do not smoke or vape anywhere on our premises.  
Dogs are not allowed anywhere on our site either. This is for the health and safety of children and staff. If you bring your dog to school then please wait outside the main gates.

Many children are now going home on bikes and scooters. Please can we ask that at no point are bikes or scooters ridden in the playground or car park. This again, is for the health and safety of children, staff and yourselves as the playground is very busy at hometime.

Please may we also ask that you are mindful of language on the playground. On a few occasions lately, we have noticed some parents using bad language. This is not acceptable anywhere near the children.
