1st March 2024

Dear Parent/Carer,

We have many exciting things going on in school at the minute as well as lots to look forward to so I thought I would update you with what is happening!

We are super excited to have a new PTA group on board and we are looking forward to working really closely in order to support the amazing young people in our school. A PTA group is crucial to a school's fundraising and we are absolutely delighted to have such a great group of parents working with us. Through their hard work and commitment to the school, we will be able to purchase much needed resources and equipment for the children that we ordinarily could not or would have to wait a long time for. Our first joint venture will be an Easter Bonnet competition. This will be held on Tuesday, 16th April 2023 at 2pm in the school hall. We would like children to make an Easter Bonnet at home during the holidays, they should be as colourful and imaginative as they can make them, it does not matter if they do not quite fit! Prizes have been generously donated by the PTA along with some from the school and these will be awarded for the best, most creative designs.

The PTA will also be holding a non-uniform day on the 28th March. There will be a donation of £1 per pupil for this and all money raised will go to the PTA to support the school.

The children have recently been representing the school in lots of sporting events and we are all incredibly proud of them! From Dodgeball to Athletics, the children have approached these competitions with determination and enthusiasm and have done so well. We have had a fair play award and a second place - well done Team Coomb Briggs and good luck for all the upcoming events!

Please may I remind you that correct school uniform and footwear should be worn at all times. Baseball boots and trainers are not deemed as school shoes so please ensure that your child is wearing appropriate footwear. On PE days, children may wear PE kit however, this should be the correct school one, not hoodies or tracksuits with logos on. Please also try and remove any earrings, if this is not possible then please provide plasters for your child.

On Tuesday 26th March there will be a parent/carers open evening in school from 3.30pm - 5.30pm. This will be an opportunity for you to see your children's books and speak informally to their class teacher if needed. If you require a more formal conversation then please arrange an appointment with the class teacher. Refreshments will be provided.
