# PHONICS WORKSHOP

We would love to invite parents  
to our Phonics Workshop

---

**THURSDAY 26TH MARCH**

**3.35PM**

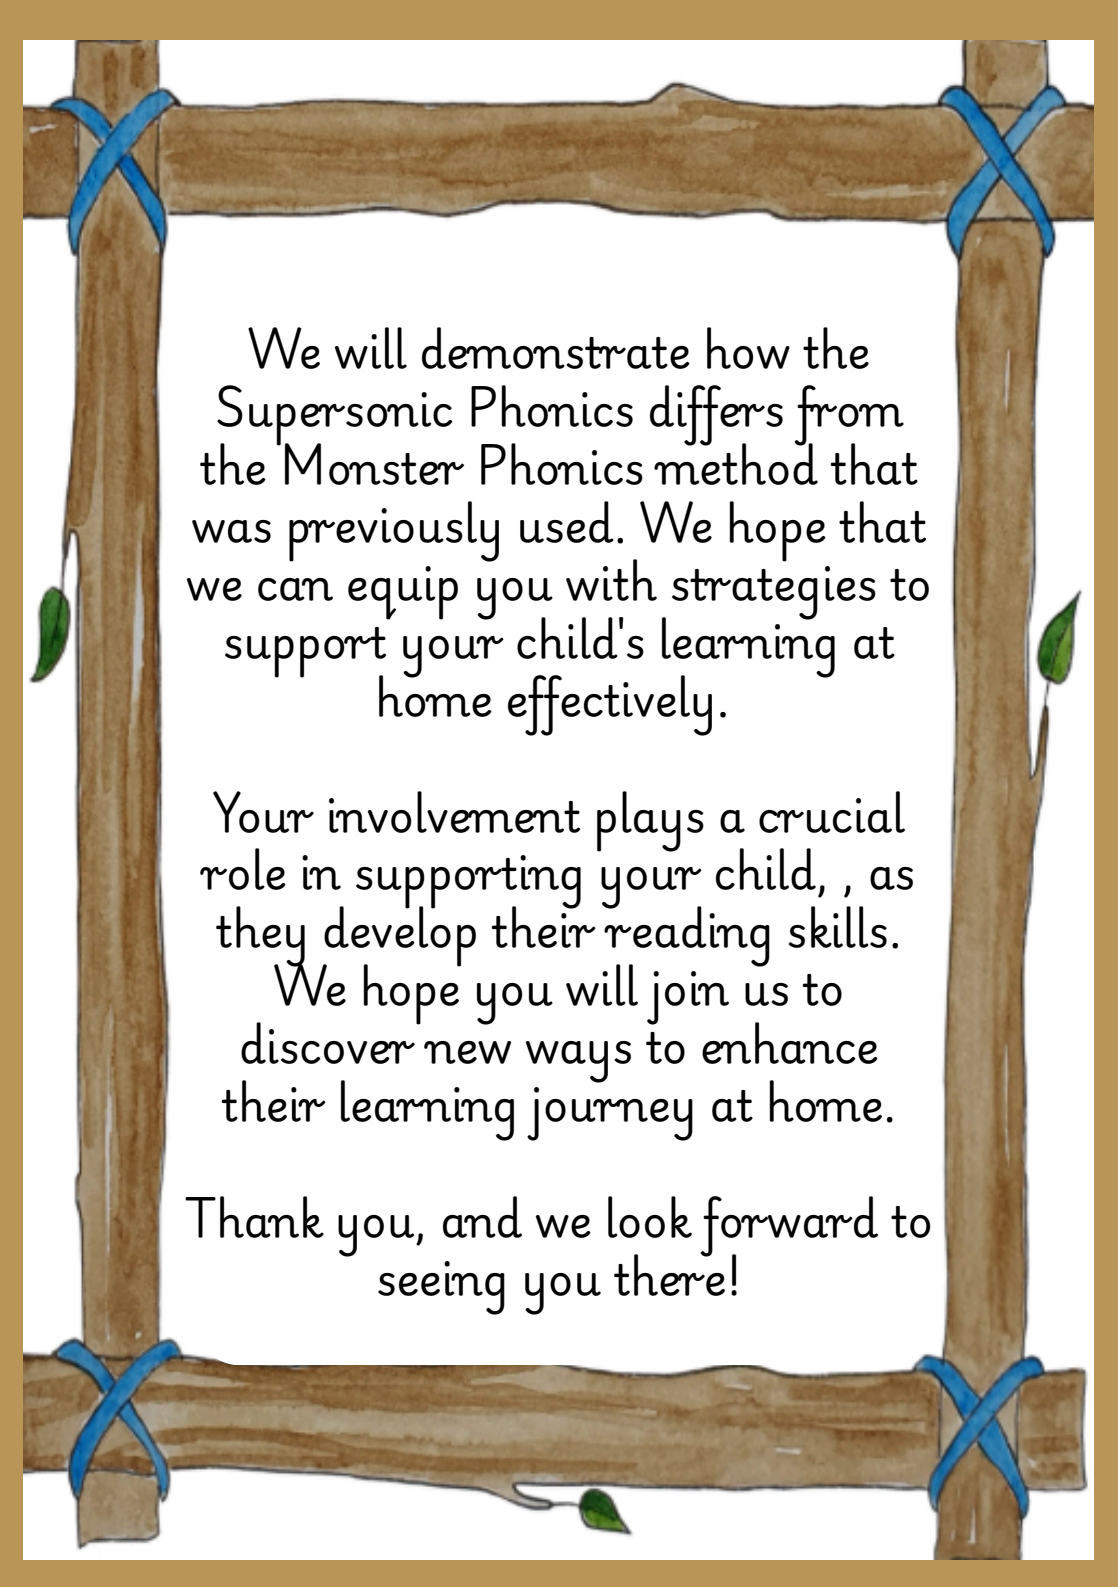

# WHAT IS THE PHONICS WORKSHOP?

We are excited to invite you to our upcoming Supersonic Phonic Friends Workshop on Thursday, 26th March at 3:35pm. This engaging session will be facilitated by our wonderful Mrs Dawson and Miss Bryant.

This is a fantastic opportunity for you to come along and learn more about the phonics activities that are engaging our children at school!

We will demonstrate how the Supersonic Phonics differs from the Monster Phonics method that was previously used. We hope that we can equip you with strategies to support your child's learning at home effectively.

Your involvement plays a crucial role in supporting your child, , as they develop their reading skills.

We hope you will join us to discover new ways to enhance their learning journey at home.

Thank you, and we look forward to seeing you there!
