## EASTER NEWSLETTER

Well, it has certainly been a “working term” across our school and community. As always, I am astounded at just what our pupils can achieve with the support, guidance and care from our exceptional team. We have been working exceptionally hard on our PSHCE, RE and Computing curriculum alongside really inspiring and igniting our learning environments and class reading areas. Be ready for further enhancements to our school hall, corridors and outside areas after the Easter break. There are many great inspirational spaces ahead!

Last week saw Mock SATS week for our Year 6 cohort - preparing them for the true assessments in May. We have been thoroughly impressed with the level of maturity and resilience shown by all involved. We know everyone is going to really shine in May.

Can I extend my warmest thanks for the understanding of all of our community as we have navigated some significant staff absences. The care our community gives to all of our colleagues is exceptional: your understanding is reflective of just what we are trying to achieve in our phenomenal school.

With regards to all staff that have been absent this term, due to them still being unwell, they will remain absent after the Easter holidays. These members of staff are being supported by Wellspring HR and we hope to welcome them back as soon as possible. Many thanks to those parents/carers who attended the recent coffee morning - it was great to hear such positivity and support for the team and enhancements to our school.

Our Eggshibition this week fills my heart with warmth - to see pupils' faces light up with pride as they display their spring creations is truly what education is about - to inspire and ignite passion in young minds. Thank you to all who have supported these amazing events.

Our summer term looks to be an even more exciting time with huge plans in terms of visits and curriculum content. Our teachers will be in touch to update you on their creative plans.

Please can I encourage every member of our community to be in school every single day. Every moment counts in the education of a young person to ensure they are as confident as possible to participate, achieve and enjoy all of the events I have detailed above. We must see your young person every single day, so please ensure you are making it to the school gates each morning. We are here to help you!

May I take this opportunity to wish everyone a restful and relaxing Easter break. Please do not forget our inbox [office@cbpacademy.org.uk](mailto:office@cbpacademy.org.uk) if you require any support over the Easter break.
