SUMMER NEWSLETTER

MISS C GREEN

As the academic year 2025/2026 draws to a close I would like to thank every single member of our fabulous school community for their unwavering support.

Schools, like all organisations, face daily challenges and our teams rise to these challenges every single day. Through difficult days and hours our team has demonstrated resilience, determination and above anything compassion and kindness for our pupils. I am eternally grateful and proud of the team I have built, nurtured and created to ensure our children receive the best possible provision every single day. Our recent inspection showcases our school as being just that - an exceptional place filled with love and kindness.

Our year 6 cohort has certainly done us proud with some exceptional SATs results - a true reflection of their hard work and brilliant guidance from our inspirational teachers. I am sure you will join me in congratulating them all.

As I hand over the reins to Mr Reynolds, I know our school is in a fabulous place and urge everyone (again) to come together as one united team for our community in September - a new era for the school.

Over the summer please do not struggle - if you need any support please contact our office email - office@cbpacademy.org.uk and a member of the duty team will get in touch to support you as best we can.

I hope everyone has a truly fabulous summer filled with joy and special time with family and friends.

Miss Green

THANK YOU FOR YOUR CONTINUED SUPPORT!
